

SSWIGS

Students Of Swansea
In Guides & Scouts

Welcome

Who We Are:

Welcome to Students of SWansea In Guides and Scouts... otherwise known as SSWIGS. We are affiliated to [SSAGO \(Student Scout and Guide Organisation\)](#), a national organisation that helps people to stay involved with Scouting and Guiding whilst at university. We also welcome people who haven't been in scouts or guides before and like the look of what we do!

If you like the look of what we do, then feel free to:

- Turn up to any of our meetings
- E-mail us at swanseasswigs@yahoo.co.uk
- Check our website out at www.sswigs.org.uk

What We Do:

As a society we meet on Thursday nights, doing a whole variety of activities ranging from shooting and climbing to cooking competitions, mini pioneering and pub crawls. Of course we also get out camping, joining in with 3 national SSAGO rallies each year where there are plenty of activities, silly games, campfires and barn dances! Also as a club we run 2 or 3 of our own camps each year.

We can also help those that would like to be involved in helping with Guide or Scout groups in the local community, putting people in touch with groups that are always after willing volunteers.
